RE: Waiver to file extention for invoiceing after deadline - trouble with 498 ID  
FRN: 2581138 ; Form 471 #1045043; \$788.16  
FRN: 2851718; Form 471 #1045043; \$1,118.10

To whom it may concern:

I am not sure if I am doing this properly? I am requesting a waiver to extend my extension for filing invoices. I have been trying to file for the longest and had trouble with the 498 ID. Our EIN with the City of Winfield was incorrectly put in the FCC or USAC? I finally got it corrected and sent the correction but keep getting a task from USAC wanting Bank Documentation. If you will look at print of my email I have recieved this request several times and have sent the request every time?

If Centurylink, our provider, had of deducted as monthly discount on bills like I have requested for the last two years. I will contact USAC and Centurylink over and over again about the discount not being applied then it was too late had to file a BEAR form. This is only the second time to have to file a BEAR and I never had filed 498 ID?

. I was out of the office due to medical issures and our email accounts were not working properly.

I will be glad to finish my BEAR form right away if they would give me my 498 ID.

Please consider my waiver, our library can not afford this mistake.

Sincerely,
